WEST NORTH EAST SOUTH 3NT pass pass

pass

You have the West hand and you hear South bid 1NT and North, 3NT. You consider doubling but elect to take the sure profit. Your lead?

A heart. Wise choice. You lead hearts and more hearts and more hearts and in time you run out of them. Down one. You are happy with this result and are about to toss the hand in but you sense there is still some tension in the

It is possible that South does not have the rest of the tricks. Perhaps your partner has an ace. That would be nice. But how are you to tell now? Admit this. Have you ever been so pleased with what you are doing that you did not pay any attention to what others are doing? If so, then you might be willing to admit that you have no idea what your partner played on your hearts.

The North hand: S-KQJH-872 D-65C-AJ1042 The East hand: S-A32H-43D-1087 C-98765 The South hand: S-1097H-965 D-AKQJ109 C-KQ

You can see all four hands now. East has an ace. The ace of spades. You can also see that if you do not take it, South has the rest of the tricks. (He managed to keep eight tricks just in case you did not lead a spade.) If you fail to lead a spade, can you stand to hear East say that he signaled for a spade lead?

Dealer: South Vulnerable: North/South

WEST	NORTH	EAST	SOUTH
	1H❤	pass	2S ♠
pass	2D ♦	pass	4H ❤
pass	pass	pass	

South opens with 1H and North goes to 2D. South rebids 2S and when the bidding is over, you discover that 2S shows about sixteen points. If opener had a minimum opener, he would just rebid his hearts. North raises to 3H, a forcing bid, and South goes on to game. If you just listened to the bidding and $\operatorname{\mathsf{did}}$ not look at your hand, what suit would you expect to lead?

If it's your Birthday

Sunday September 22

Your imagination is on top form, and you may be motivated by your fantasies rather than by the facts. The secret is not to expect too much.

Monday September 23

You're facing a positive period over the next few months. Personal, professional and domestic issues will all be thrown into the melting-pot.

Tuesday September 24

It's decision time. Which way will you jump? Will you choose to stay in the past or make a move into the future? You might get the best of everything.

Wednesday September 25

In partnership matters there is one great moral: look, listen and learn. Other people, whether lovers, friends or very close working colleagues may teach you.

Thursday September 26

You'll be bombarding friends with your many ideas. You're eager to find out the facts and to figure out how and why you've arrived at your current situation. You'll be happy in company.

Friday September 27

Distant horizons beckon. There's a sense that a new dawn is about to break. Just when and how, you can't say, but things are looking up.

Saturday September 28

Helpful stars shine your way. You'll be in for an easier time than many people, so count your blessings. Yet the fact that work and domestic chores may be causing irritation will bind you up.

YOUR WEEK AHEAD

ARIES (Mar 21 - Apr 20) The Sun moves on before long, leaving

you to stand on your own two feet once again. You're entering a tricky financial phase and will have to face up to a number of awkward choices. Also, it may be time to abandon a commitment.

TAURUS (Apr 21 - May 21)

Pluto, and you could be heading for an intense confrontation. You will have to speak the plain truth, although please pick your words with care and kindness.

GEMINI (May 22 - June 21) Something may

happen behind the scenes to change your plans and ideas. Whatever takes place will almost certainly involve your work or whatever other routine chores are pre-occupying you at the moment. Romantic hopes

are reinforced by Venus.

CANCER (June 22 - July 23) The relationship

between Mercury and Mars is bound to awaken ideas of social adventure, you'll be on the look-out for new friends and anxious to put former associates in their place. Additional attention is required to all travel plans.

LEO (July 24 - Aug 23) The Moon

issues emotional challenges from Wednesday to Thursday, so these should be the perfect days to

apply a little of your cheery Leonine medicine to a close partnership. Only you can do this, so why don't you organise a break from domestic routine and plan something special.

VIRGO (Aug 24 - Sep 23)

Legal matters seem to have some role to play in your life over the next three weeks. Is it possible that you have embroiled yourself in a bureaucratic muddle? One

thing is certain, and that is if you stick to your guns and do what you know to be right, you won't go far wrong. And you might also win some additional respect from the people who matter.

LIBRA (Sep 24 - Oct 23) Shopping, saving

and investments all occupy your attention. Money matters can only increase in importance as the week passes, but don't expect a quick and easy answer. You will come to realise that you have the chance to set your finances anew.

SCORPIO (Oct 24 - Nov 23) It may be more difficult than usual

for you to imagine that a close partner can possibly be right, so deep is your belief in your own infallibility. However, any astrologer, on seeing the current planetary picture, would advise you to compromise and bend to circumstances.

SAGITTARIUS (Nov 24 - Dec 23)

determined, obstinate and emotional Scorpios. In fact, your behaviour, especially a tendency to secrecy in important matters.

CAPRICORN (Dec 23 - Jan 20)

The week begins with the Moon powerfully positioned in

relation to your sign, so family affairs will probably keep you on your toes. As the days go by, you will see that money lies at the root of all disagreements.

AQUARIUS (Jan 21 - Feb 19) Recent

developments in the sectors of your chart associated with relations, children and romance

seem bound to work out for the best in the long run, even if you have been rather disconcerted by a number of statements or events. Thursday, when the Moon takes a more maternal role probably.

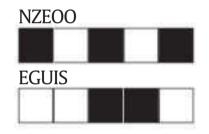

PISCES (Feb 20 - Mar 20)

working in the travel and communications industry. If there is any way to get other people to see that you really do mean business, then get on with it. Maybe don't be so laid back.
